New for 2018:

- ◇ U7-U8—Continued focus on technique with an added emphasis on soccer agility and movement
- ◇ U9-U10—Continued focus on technique but with more game situations (passing and off-ball movement) as well as soccer agility and movement
- ◇ U11-U14—More competitive game play including mini tournaments and other fast-paced games. More focus on team play (possession and off ball movement). Specific skills for the more advanced player (bending the ball, chipping, shielding, etc.)
